And ~ 200+ Individual Personal Donations

Thank you for your support and generous donations to make the inaugural 2006 'Smile With Me! 5K Run and 1 Mile Family Walk' a huge success. With the products and funds donated we were able to have an outstanding raffle for all participants in the race, a race "goody" bag, ample food and drinks for race day, attractive and valuable product awards for top race finishers, attractive t-shirts for race participants and volunteers, an excellent race course and police and recreation center support, and a healthy total net proceeds for the Mayo Clinic and for the establishment of a scholarship fund for area students majoring in Education.
