And ~ 200 Individual Personal Donations

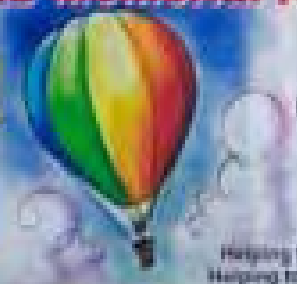

Thank you for your support and generous donations to make the Second Annual 2007 'Smile With Me! 5K Run and 1 Mile Family Walk' another great success. With the products and funds donated we were able to once again have an outstanding raffle for all participants in the race, a race "goody" bag, ample food and drinks for race day, prizes/awards for top race finishers, t-shirts (provided by Jones Machinery) for race participants and volunteers, and an excellent race course with police and recreation center support.

The donations and net proceeds from the race generated a total just over \$27,000 for the Mayo Clinic and for scholarships for area students majoring in Education.
